**Privio Digital Lineup**
*Enables international sales agents and distributors to showcase their films, scripts, decks, and promotional materials offline on smartphones, tablets, Smart TVs, or TV boxes via an intuitive interface designed for international markets.*
*Say goodbye to connection issues during meetings—ditch USB drives and printed materials—and share customized lineups and highly secure screeners instantly worldwide. Trusted by 300+ industry professionals, Privio Screener technology powered 100% of Cannes-winning films, setting the standard for security and excellence. Our system has been tested on the Fairmont Hotel Room TV system and approved by the Fairmont IT department. For more information, please follow visit https://www.privio.com/markets/.*
